

Art Director

Sockeye is a creative agency with deep Portland roots. We are looking for people who want to do kick ass work and have fun doing it.

We execute brand experiences that strengthen relationships. Our work integrates multiple creative formats but is anchored in “strategy”. We provoke movement. Evoke real connections. Make something happen.

Sockeye is anti-structure yet highly-organized and hyper-focused. We like hyphens. We are comfortable with discomfort. We are growing. We learn something new every day.

Are you making your mark? Is it resonating? Is it rising above the chatter? Are you ready to collaborate, corroborate, kickasserate? Are you ready to think hard and play harder? Are you ready to make yourself nervous? Are you ready to join Sockeye’s epic battle against mediocrity?

Let’s do something worth doing.
